

First page:

1. Header with navigation bar – A white header containing the blue logo text “Mădălina” on the left and a horizontal navigation menu on the right with the navigations “Welcome,” “About me,” “My CV,” “My gallery,” and “My contacts.” The “Welcome” link is highlighted in blue to show it’s the active page.
2. Main welcome section – A large central section with a light blue background shows an image (selfie.png) of me alongside a text area aligned to the right.
3. Introductory text – Inside the main section, large white text displays the name “Mădălina Glod” and a smaller line of text saying “Welcome to my personal webpage!”
4. Footer – A footer on a light background shows the copyright text:
© 2025 Mădălina Glod — All rights reserved.
5. Overall style – The design is minimalist and responsive, using the Poppins font, blue and white colors and hover effects that turn navigation links blue.

Second page:

1. Header with navigation bar – identical to the index page.
2. Main “About me” section – A vertically stacked layout with several alternating blocks (about-container) set on a blue background. Each block pairs text and photos, switching sides.
3. Personal introduction and hobbies – Some text about me.

4. Photos alongside text – Each text block is accompanied by two small rectangular images (e.g., center.jpg, friends.jpg, noodles.jpg). The images slightly enlarge on hover.

5. Footer – identical to the index page.

The screenshot shows a web browser window with the URL 127.0.0.1:5500/about.html. The page has a light blue header bar with the text "by Mădălina" and a navigation menu with links to "Welcome", "About me", "My CV", "My gallery", and "My contacts". The main content area has a white background. It features a large heading "About me.." in bold black font. Below it is a paragraph of text: "Hi! My name is Mădălina and I'm an 18yo student from Moldova, now living in Krems, Austria and studying Informatics at IMC Krems University of Applied Sciences. Outside of studying, I love spending my time doing things that I enjoy most. A big hobby of mine is traveling. I love exploring and discovering new places, my last trip being to München, Germany." To the right of the text are two small images: one of a Gothic-style building and another of an ornate interior hall. Below this section are two more images: two girls posing together and two girls wearing motorcycle helmets. To the right of these images is a block of text: "Hanging out with friends, watching movies, or just having relaxed evenings are some of my favourite things to do. My friends are a big part of my life, and I always enjoy creating new memories with them. The girls in the picture are my two bestfriends, Alexa and Cristina, who I've known for many years. In the second picture Cristina and I went to karting outside a mall, letting her drive since she's the more adventurous type." Further down the page are two more sections of text with images. The first image shows a city street at dusk with a green park in the background. The second image shows a church tower at night. At the bottom of the page is a footer bar with the text "© 2025 Mădălina Giol — All rights reserved."

Third page:

1. Header with navigation bar – same on all pages.
2. Main title – Centered at the top of the page is a large heading: “Curriculum Vitae” — styled in blue, bold, and large (80px).

3. CV content table – The main section features a table containing my personal and academic details, including:

- Personal Information (name, address, contact, date of birth, nationality)
- Current studies – Bachelor of Science in Informatics
- Education and Training – Lists schooling years and subjects studied
- Languages – Includes a detailed subtable rating listening, reading, speaking, and writing in English, French, and Russian.

4. Skills and other competencies – Further rows describe personal skills, computer skills and other skills.

5. Design and footer – same on every page.

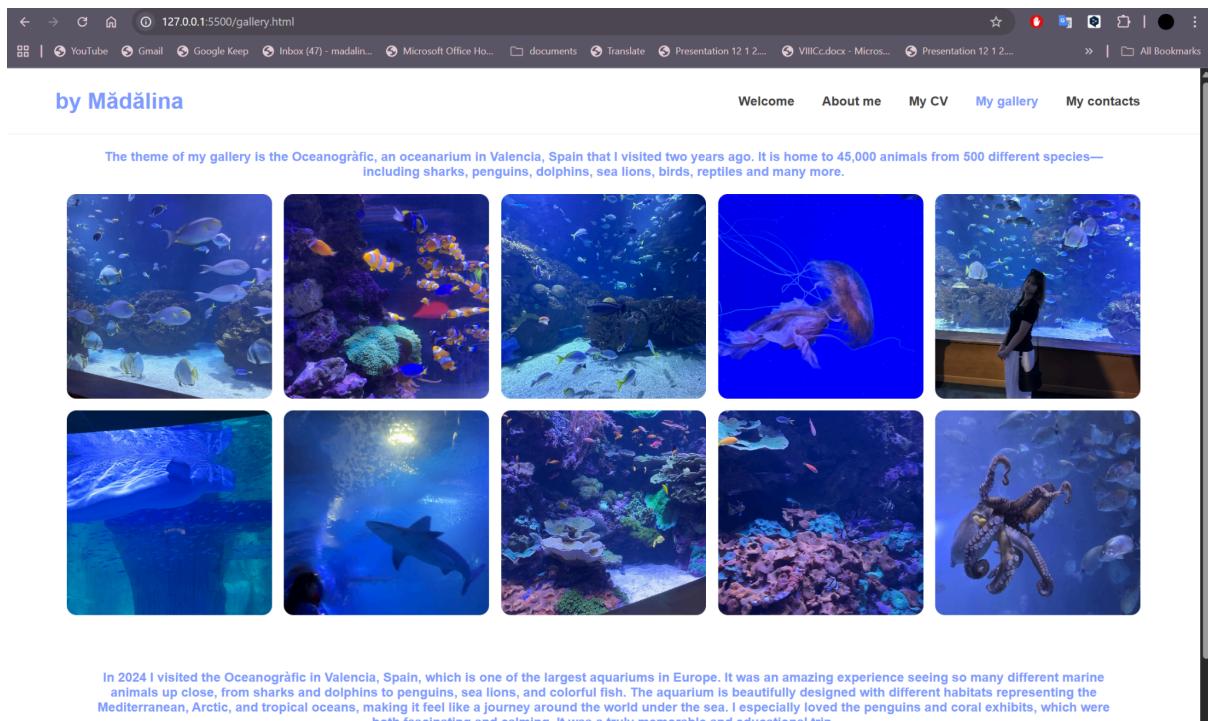

Fourth page:

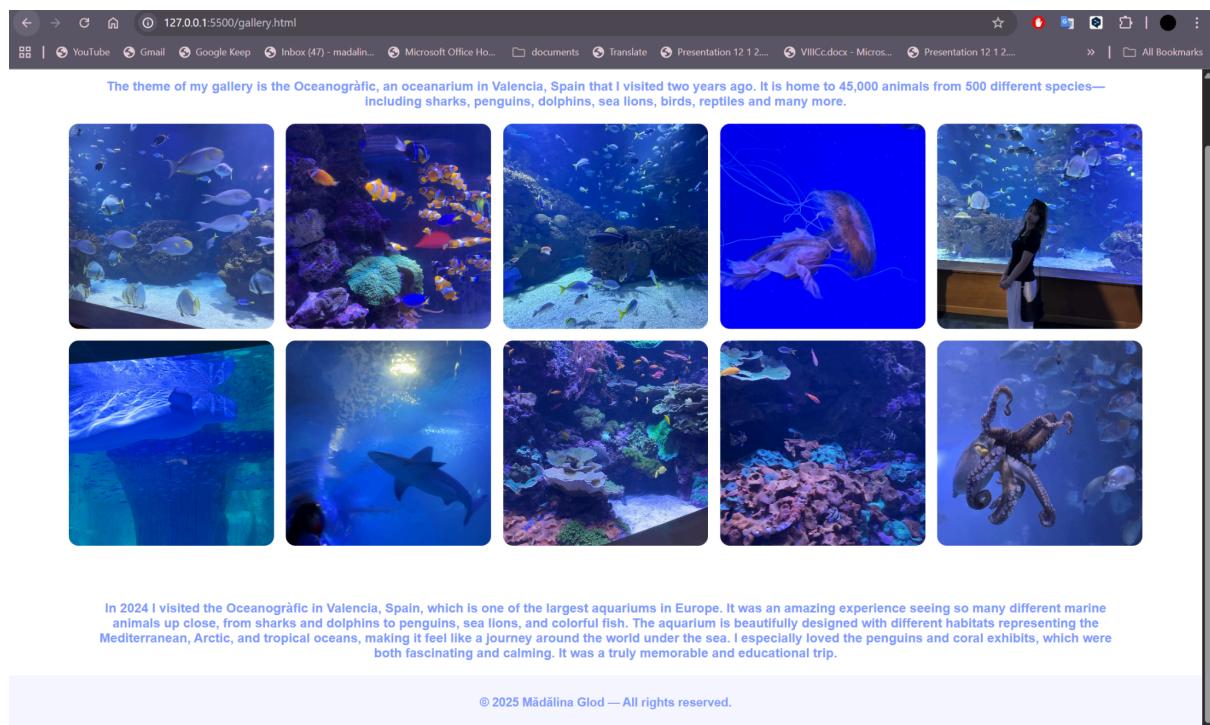

1. Header with navigation bar – same on all pages.

2. Introductory paragraph – Centered, light-blue text introduces the theme of the gallery.
3. Image gallery grid – A large photo gallery section displays 10 square images (fish.jpg, jellyfish.jpg, shark.jpg, etc.) arranged in a 5-column grid with even spacing. Each image has rounded corners.

4. Hover effects – When hovering over an image, it enlarges slightly (scale 1.05).

5. Footer – same on every page.

Fifth page:

1. Header with navigation bar – same on every page.
2. Main background and layout – The page has a blue background and a vertically centered content area.
3. Contact form section – Inside a white, rounded contact box, there's a centered title “Contact me” followed by a simple form where visitors can enter their name and email, type a message in a text box and click a “SEND” button to submit the form. I used the site formspree.io to make this form.
4. Form design and interactivity – All form fields expand to the full width of the box, with rounded border. When a field is clicked, it gets a blue border, and the Send button changes to a slightly darker blue on hover.
5. Footer – same on every page.
